

HABITAT FOR HUMANITY ALLEGHENY VALLEY

BEYOND BRICK & MORTAR

Overview

Due to the generous and overwhelming support of corporate and individual donors supporting our mission to serve the Allegheny Valley, we at Habitat for Humanity Allegheny Valley have been compelled to further expand our services to more holistically address and support the disadvantaged families and homeowners in our region.

The "Beyond Brick & Mortar" initiative is established to partner will local non-profit and faith-based agencies in the region to better connect and mobilize access or resources to disadvantaged homeowners and families in need of home furnishings and décor accessories. As we enter the 2018 calendar year, we are determined to more holistically service "the family unit" and believe that the established partnership initiative will best serve to reach those in most need while mitigating the drain of resources available from other local and non-profit agencies in the region.

How is works

Habitat for Humanity Allegheny Valley has established the "Beyond Brick & Mortar" campaign with various non-profit and faith-based entities to provide access to home furnishings and décor accessories to homeowners and families in need. The partnering service agencies will complete the vetting process and make recommendations for homeowners and families in need of support and will direct them to Habitat for Humanity Allegheny Valley's ReStore, which has dedicated a wing of the building to provide pre-selected home materials that include but not limited to:

- Furniture
- Appliances
- Kitchen décor (plates, glasses, cookware)
- Lighting supplies (light bulbs, lamps)
- Flooring & Paint
- Tools and building material (hammers, nuts & bolts, landscaping, etc.)

Established Partnering Organizations
